## 7. **Building Services**

- 7.1 Before We start the Job We will carry out a full inspection of the Property to check that the Building Services are appropriate for the Property, practical and can be carried out safely.
- 7.2 We will provide the Building Services in accordance with the specification set out in the accepted Quotation and in the Agreement (as may be amended by agreement between You and Us from time to time).
- 7.3 We may provide sketches, plans, diagrams or similar documents in advance of the Job. Any such material is intended for illustrative purposes only and is not intended to provide an exact specification of the Job nor to guarantee specific results.
- 7.4 We will use reasonable endeavours to ensure that the Products We use match those chosen by You and are consistent throughout the Property (or relevant parts of the Property). There may be slight variations to the same Products as a result of differences between photographs, catalogues and other materials, and the Products themselves, or as a result of minor technical changes which will not impact your use of the Product in question. Product packaging may also vary. If different Products are required due to non-availability, We will not supply them without consulting with You first, in advance of the Job.
- 7.5 We will ensure that all Products comply with any relevant standards and are in a satisfactory condition at the time of use.
- 7.6 We will ensure that the Building Services are performed with reasonable care and skill and to a reasonable standard which is consistent with best trade practice.
- 7.7 We will notify You in advance if the work We are doing is likely to affect the Property outside of the Work Area and We will advise You of any remedial work You are likely to have to carry out. If further remedial work is needed, beyond the scope of the advice we gave You, We will carry it out at Our expense.
- 7.8 We will ensure that We comply with all relevant codes of practice.
- 7.9 We will ensure that furniture, flooring and walls in the Work Area that are not being worked on as part of the Job are suitably covered and protected for the duration of the Job.
- 7.10 We will properly dispose of all waste that results from Our provision of the Building Services.
- 7.11 If We cause any damage during the course of the Job We will repair the damage before completing the Job.
- 7.12 If any inspections are required following completion of the Job We will arrange for the inspections to be carried out.
- 7.13 Where a Job is to last for more than one working day, the Builder will where reasonably possible leave the Property in a clean and tidy state and minimise any disruption to Your use and enjoyment of the Property while work is being carried out. We will wherever possible store all tools and materials only in the Work Area or remove them from the Property at the end of each working day.
- 7.14 Before the Job is completed We will work with You to produce a snag list identifying any faults or defects in Our work which we need to put right before

completion of the Job. We will not be responsible for any defects which result from the work of third party contractors over whom We have no control.

## **8. Faulty Products**

8.1 If any Products are supplied in the course of Us providing the Building Services, and You discover a defect with one or more of those Products or if the Product or Products have been incorrectly described, You should inform Us using the contact details above in Clause 3.

8.2 If a Product is found to be faulty We will at Our option, repair or replace any defective Products. If a Product is no longer available a similar Product will be used.

This right may not apply if We can prove that the defect has been caused deliberately or negligently by You, or as a result of Your failure to follow instructions given by the Builder or as included with the Product.

8.3 After the first six months, if any Product develops a fault, You must prove that the Product in question was faulty at the time We supplied it and You took ownership of it. You may be entitled to a repair or replacement, depending upon the nature of the Product and how long it can reasonably be expected to last.

## **9. Problems with Our Service**

9.1 If there is a problem with the result of the Building Services, i.e. they have not been provided with reasonable care and skill, You are entitled to ask Us to repeat or fix the service during the defects period, which is 6 months after the completion of the work.

9.2 We always use reasonable efforts to ensure that Our provision of the Building Services is trouble-free. If, however, there is a problem with the Building Services We request that You inform Us as soon as is reasonably possible. We will use reasonable efforts to remedy problems with the Building Services as quickly as is reasonably possible and practical.

9.3 We will not charge You for remedying problems under this Clause 9 where the problems have been caused by Us. If We determine that a problem has been caused by incorrect or incomplete information or action provided or taken by You, We may charge You for remedial work.

9.4 As a consumer, You have certain legal rights with respect to the purchase of goods or services. For full details of your legal rights and guidance on exercising them, it is recommended that You contact your local Citizens Advice Bureau or Trading Standards Office.

9.5 If We do not perform the Building Services with reasonable skill and care, You have the right to request repeat performance or, if that is not possible or done within a reasonable time, You have the right to a reduction in price.

9.6 If the Building Services are not performed in line with information that We have provided about them, You also have the right to request repeat performance or, if that is not possible or done within a reasonable time without inconvenience to You (or if Our breach concerns information about Us that does not relate to the performance of the Building Services), You have the right to a reduction in price.

If for any reason We are required to repeat the Building Services in accordance with Your legal rights, We will not charge You for the same and We will bear any and all costs of such repeat performance.

## 10. **Your Obligations**

- 10.1 If any consents, licences or other permissions are needed from any third parties such as landlords, planning authorities, local authorities or similar, You must obtain them before We begin to provide the Building Services.
- 10.2 If any party wall agreements are needed, You must enter into those agreements before we begin to provide the Building Services.
- 10.3 You will ensure that the Builder can access the Property at the Agreed Times to provide the Building Services.
- 10.4 You may either give the Builder a set of keys to the Property or be present at the Agreed Times to give the Builder access. We promise that all keys will be kept safely and securely by the Builder.
- 10.5 You must ensure that the Builder has access to electrical outlets and a supply of hot and cold running water.
- 10.6 You must ensure that the Work Area is kept clear of furniture and other items and out of use for the duration of the Job unless We direct otherwise.
- 10.7 If You do access the Work Area at any time during the course of the Job You must observe all relevant health and safety rules and must comply with any additional instructions the Builder gives You.
- 10.8 Unless redecoration following completion of building work forms an agreed part of the Building Services, You will be responsible for any redecoration required.
- 10.9 If You do not provide the required access to the Property or make it impossible for Us to provide the Building Services by failing to comply with any other provision in this Clause 10, and do not have a good reason for this, We may invoice you for any additional charges incurred as a result.

## 11. **Complaints and Feedback**

- 11.1 We always welcome feedback from Our customers and, while We always use all reasonable endeavours to ensure that Your experience as a customer of Ours is a positive one, We nevertheless want to hear from You if You have any cause for complaint.

12.2 If We ask You to change the Start Date, You may either:

12.2.1 agree a revised Start Date with Us; or

12.2.2 terminate the Agreement (see Clause 15).

## 13. **Cancellation of Contract During the Cooling Off Period**

13.1 Where the Agreement is not made “on Our premises”, You have a statutory right to a “cooling off” period. This period begins once the contract between You and Us is formed and ends:

13.1.1 in relation to any Products supplied, at the end of 14 calendar days after the date on which the Products are delivered. If the Products are delivered in instalments, the 14 calendar day period begins on the day that you receive the final instalment; and

13.1.2 in relation to the Building Services, at the end of 14 calendar days after the date on which the contract is formed.

13.2 If You wish to cancel the Agreement within the cooling off period You should inform Us immediately by a clear statement (e.g. a letter sent by post, email to the email address specified in these Terms and Conditions).

13.3 To meet the cancellation deadline, it is sufficient for You to send Your communication concerning the exercise of the right to cancel before the cancellation period has expired.

13.4 If You exercise this right to cancel You will receive a full refund of any amount paid to the Us in respect of the contract.

13.5 We will refund money using the same method used to make the payment, unless You have expressly agreed otherwise. In any case, You will not incur any fees as a result of the refund.

13.6 We will process the refund due to You as a result of a cancellation without undue delay and, in any case, within the period of 14 calendar days after the day on which We are informed of the cancellation.

13.7 If You exercise the right to cancel in relation to Products:

13.7.1 We will issue a refund no later than 14 calendar days after We receive the relevant Products (and will include standard delivery charges if You send the Products to Us);

13.7.2 You must return the Products to Us within 14 calendar days of the day on which You inform Us that You wish to cancel and return them;

13.7.3 We may make a deduction from the refund for loss in value of any Products supplied, if the loss is the result of unnecessary handling by You;

- 13.7.4 Please also note that Products that become inseparably mixed with others cannot be returned.
- 13.8 If the Start Date falls within the cooling off period You must make and express request for provision of the Building Services to begin within the 14 calendar day cooling off period. By making such a request You acknowledge and agree to the following:
- 13.8.1 If the Job is completed within the 14 calendar day cooling off period, You will lose the right to cancel once the Job is completed;
- 13.8.2 If You cancel the Agreement after provision of the Building Services has begun You will be required to pay for the Building Services and any Products that cannot be returned to Us supplied up until the point at which You inform Us of Your wish to cancel;
- 13.8.3 The amount due will be calculated in proportion to the full price of the Building Services and the actual Building Services already provided. Any sums that have already been paid for the Building Services will be refunded, subject to deductions calculated on this basis;
- 13.8.4 We will process any refund no later than 14 calendar days after You inform Us of Your wish to cancel.
- 13.9 Clause 14 applies to the termination of the Agreement after the 14 calendar day cooling off period has elapsed.

#### **14. Cancellation Outside of the Cooling Off Period**

- 14.1 In addition to Your rights in Clause 13 relating to the cooling off period, the following applies to Your termination of the Agreement after the cooling off period and before the Start Date (if relevant):
- 14.1.1 If You cancel the Job after the 14 calendar day cooling off period has expired. We will retain from the Deposit, if applicable, a sum to cover any net financial loss that We suffer due to the cancellation. If Our net financial loss is more than the amount of the Deposit (and/or if no Deposit has been paid), We will invoice You for the shortfall and You will be required to make payment in accordance with Clause 6.
- 14.2 We may need to terminate the Agreement before the Start Date due to the unavailability of required personnel or materials, or due to the occurrence of an event outside of Our reasonable control. If such cancellation is necessary, We will inform You as soon as is reasonably possible. We will refund the Deposit, if applicable, as soon as is reasonably possible, and in any event within 14 calendar days of termination.

#### **15. Termination**

- 15.1 You may terminate the Agreement with immediate effect at any time by giving Us written notice if:
- 15.1.1 We have breached the Agreement in any material way and have failed to remedy that breach within 14 days of You asking Us in writing to do so;
- 15.1.2 We enter into liquidation or have an administrator or receiver appointed over Our assets;

  - 15.2.5 We have been unable to provide the Building Services for more than 1 week due to an event outside of Our control (see Clause 17).
- 15.3 For the purposes of this Clause 15 a breach of the Agreement will be considered 'material' if it is not minimal or trivial in its consequences to the terminating Party. In deciding whether or not a breach is material no regard will be had to whether it was caused by any accident, mishap, mistake or misunderstanding.
- 15.4 If at the termination date:
  - 15.4.1 You have made any payment to Us (including, but not limited to, the Deposit, where applicable) for any Building Services We have not yet provided, these sums will be refunded to You as soon as is reasonably possible, and in any event within 14 calendar days of the termination notice. We may, however, deduct from such a refund (or charge You) reasonable compensation for the net costs We will incur as a result of your breaking the Agreement if We terminate it under sub-Clauses 15.2.1, 15.2.2, or 15.2.4;
  - 15.4.2 We have provided Building Services that You have not yet paid for, the sums due will be deducted from any refund due to You or, if no refund is due, We will invoice You for those sums and You will be required to make payment in accordance with Clause 6.

## 16. **Effects of Termination**

- 16.1 If the Agreement is terminated for any reason:
  - 16.1.1 Any Clauses which, either expressly or by their nature, relate to the period after the expiry or termination of the Agreement will remain in full force and effect.
  - 16.1.2 Termination will not remove or reduce any right to damages or other remedy which either You or We may have in respect of any breach of the Agreement which exist at or before the date of termination.
